

A SIMPLE TEST CAN KEEP OUR STUDENTS IN THE CLASSROOM.

Our school is participating in North Carolina's free COVID-19 testing program. It's one of the many things we are doing to help keep students in the classroom. Testing requires consent from a parent or legal guardian.

To learn more about the program and learn how to opt in, contact the school office or visit StrongSchools.nc.gov.

Learn about the many ways North Carolina is working to keep schools in-person.

Reminder: The COVID-19 vaccine is authorized for students ages 12 and up. Go to MySpot.nc.gov to find a vaccination site.
